## Warren Forces Organize Here

Several Albany groups today are fully organized and working actively for the re-election of Governor Earl Warren at the November 7 election.

Leading the Albany Non-Partisan Committee for Warren, as announced by Mrs. May Ellis Olson and Mrs. Freda Kruger, co-chairman of Albany headquarters, are Mayor Charles F. Graeber, Louis J. Floy, Fred Grauholt, Joe Villa, Douglas, Beatrice Raymond, Carlovaro, George Glavinovich, Gordon, Sally Nelson, Grace Higgins and Dr. Jack Stein.

The Albany Democrats for Warren Committee is headed by Judge Louis J. Hardie, assisted by Councilman John C. Longaker, Gartner Thomas, Harold W. Olson and Elmer Stryker.

Active workers assisting Mrs. Olson and Mrs. Kruger at the "Warren for Governor" headquarters, 1111 Solano Ave., include Freda Olson, Minnie Allison, Peggy Nelson, Floy Meyer, Opal Villa, Bea Williams, Rene Villa, Lillian Matson, Mabel Ryken, Helen Helmke, MacDonal, Esther Anson, Mel Hanson, Mrs. John Longaker and Mrs. Gartner Thomas.

"Fathers are Parents Too" is the plan for Albany High School P.T.A. membership drive opening this week.

Glancing over precinct lists, these Albany leaders are working actively with other local groups for re-election of Governor Earl Warren at next Tuesday's election. Pictured, left to right, are Charles Woodstock, past president of Albany Eagles; Bert Townsend, chairman of Albany Citizens' Committee for Warren; and Walter L. Holland, member of Albany Veterans' Committee for Warren.

## Eagle Dance Benefits Cancer Fund

Early ticket sales for the Eagle sponsored Damon Runyon Dance to be held Saturday evening at Painters' Hall, El Cerrito, today indicated that a sizeable amount of money will be turned over to the Damon Runyon Memorial Cancer Fund, according to President George Porter.

"Albany Eagles and its Auxiliary invite all organizations and citizens to join in making this dance an outstanding financial success," Porter said.

"In this way we hope everyone will do his share in helping conquer cancer, the world's greatest killer," he added.

Porter said those who do not

plan to attend the dance but would like to contribute to the fund may send donations to Secretary Bert Townsend, at 816 Pomona Ave.

ALBANY EAGLE AUXILIARY is sponsoring a rummage sale today and Saturday at the Codornices Community Center, 8th St. and Monroe. Hours will be from 9 a.m. to 5 p.m.

VISTA PRIMARY P.T.A. mothers today were cleaning their closets and basements for old rags and clothing to contribute to their rag drive next week. Proceeds from the drive will go for the unit's child welfare fund.

## Liquor Sales Tax Proposed

### Rites Held Wednesday For Mrs. A. Williams, Police Chief's Mother

Funeral services for Mrs. Annie A. Williams, mother of Albany Police Chief Stanley C. Williams, were conducted Wednesday morning in the Wilson and Kratzler Chapel in Richmond. The Rev. William B. Wann of Stege Presbyterian Church officiated.

Concluding services followed at Sunset Mausoleum.

Mrs. Williams died 4:10 a.m. Monday at her home, 6112 Orchard Ave., Richmond, four days after she suffered a paralytic stroke.

A native of Pennsylvania, she was a resident of the Richmond area for 41 years and a long time member of the Acantha Chapter, OES, and the Stege Presbyterian Church.

Mrs. Williams was the widow of William R. Williams, former superintendent of an El Cerrito quarry company.

In addition to her son, Mrs. Williams is survived by a daughter, Mrs. Marguerite Nissen, with whom she made her home; a granddaughter, Mrs. Barbara English of Albany; and two great grand children.

### Rotary to Host Dist. Governor

Albany Rotarians Monday noon will host Dist. Gov. Arch B. Davison of Colusa, who is making his annual official visit to each of the 42 clubs in the 157th Rotary District.

Davison will confer with President Elmer Coble, Secretary George Irwin and other officers on club administration and Rotary service Monday night at the Albany YM-CA Community Center.

The club will also observe Rotary Ann Day at the Monday luncheon. Al Galigher is chairman of the day.

### Hearing Set November 9

A proposal of Councilman John C. Longaker to tax package liquor and over-the-bar drinks one-half cent on the dollar will be discussed in a public hearing 7:30 p. m., November 9 at the City Hall, the City Council ruled Monday night.

The Council approved the proposal on the ground that additional city revenue—other than the recently approved city business license tax is needed to finance Albany's share in the \$20,000 sewer project being constructed by East Bay Municipal Utility District.

Longaker pointed out that Oakland, Berkeley and Richmond have imposed such a tax.

In other business, the Council:

1. Recinded an ordinance to rezone three lots west of East Shore Highway from a commercial zone to second residential to permit construction of a \$15,000 warehouse by an Oakland paint spraying company.

2. Authorized City Engineer Howard B. Carter to make a survey of the street drainage on Madison St. after 10 residents reported their basements were flooded during last week's storm.

3. Councilwoman Mrs. Kathie Zahn named G. D. Gaeta, 810 Evelyn Ave., as her appointee to the Library Board, filling the vacancy created through the resignation of Mrs. John Wilkes.

### Women Need Leader In Government, Says Assembly Candidate

The need for qualified women to actively serve in the legislature was pointed out today by Mrs. Clara Shipser, candidate to the State Assembly from the 18th District, Albany and Berkeley.

"Women have special concerns which should be represented in government," she said. "The attributes that women have traditionally brought to homemaking are not only useful but indispensable in effecting legislation which vitally concerns everybody."

Endorsed by businessmen and women, professional groups and educators, Mrs. Shipser has also received the support of organized labor in her campaign to represent the interests of all the people as opposed to the interests of special privilege groups.

A lifelong resident of the Bay Area, Mrs. Shipser attended the University of California, class of 1923. For many years she owned and managed a successful retail business in Berkeley.

**EARL WARREN**

*- a good governor  
 - a great humanitarian*

Governor Warren has distinguished himself as a governor who helps the little fellow. Upon taking office, he visited the state mental hospitals. There he found patients crowded into firetrap attics and hallways. He immediately ordered their removal and brought about construction of new facilities and buildings. He opened a better and happier life for these unfortunates. He sponsored increased benefits for the old folks, steadily moving up the amount from \$40 per month when he took office in 1943, to the present \$75 allowance. He is working right now to obtain legislation that would put disabled persons in California under the benefits of a new Federal Act. Earl Warren has brought about increased benefits for blind persons, for dependent children, for physically handicapped persons, and others in need. He has streamlined the Department of Public Health to provide more and better services to the people. He has reorganized the California Youth Authority to cope more adequately with juvenile delinquency, and he has created the Department of Mental Hygiene with emphasis on the treatment of mental disease rather than mere custodial care.

**STOP THE "FIX"**  
 Wide-open, commercial gambling would be "fixed" in California if the promoters of Proposition No. 6 put over their scheme.  
 The promoters name themselves as a 5-Man Gambling Commission with absolute power for six years to make their own rules, issue and revoke gambling licenses, and run their own gambling establishments.  
 They would be handed 6 million dollars from the State Treasury just to get started! And they could send you to jail for playing penny-ante poker at home if you didn't get a license from them first!

Under Proposition No. 6, gambling spots would be exempted from local taxes—yet local communities would be burdened by the huge cost of increased police protection against the horde of racketeers, gangsters and hoodlums that Proposition No. 6 would attract to California.

## Defeat the Tax Shift Scheme!

Proposition No. 1 would remove all personal property from taxation in California. The revenue loss (some 200 million dollars a year) would have to be made up from other tax sources—most likely from sharply increased taxes on small property owners, increased sales taxes, or both!

The bulk of personal property

taxes is paid by a special class of business concerns who own little or no real estate, but have large investments in inventories, parts and equipment.

Proposition No. 1 is an attempt on the part of a few to shift their rightful share of the cost of government to the general public.

Don't pay somebody else's taxes!
